13.1 St. Jerome's University works with the Office of Research at the University of Waterloo and all St. Jerome's University courses are UW courses. As a result, most matters related to Intellectual Property are governed by UW Policy 73 and general protections owed to creators under law.

13.2 Intellectual Property generally means any result of intellectual or artistic activity which can be owned by a person. As a general principle the Parties agree that materials created in the course of teaching and research activities are the Intellectual Property of their creator(s). Except as provided in this Article, or in a specific agreement between the Member and the Employer, the Employer acknowledges that it has no claim to any copyright ownership in such materials.

13.3 The Employer shall not knowingly redistribute or provide the Intellectual Property of a Member, or any course outline created by a Member, to any person for the purpose of delivering the same or a substantially similar course, or make derivative materials, in absence of a signed Authorship Agreement permitting such use, unless such use is required for the emergency continuation or completion of a course for which the Member created the material.

13.4 A Member who creates or re-prepares an online course under Article 25.13 of this Agreement shall grant the University an exclusive, time limited, non-transferrable, royalty-free licence to use the online course, for academic purposes, for a period not exceeding ten (10) years from the start of the term in which the online course was first offered. Disciplinary action shall be reasonable, commensurate with the seriousness of the violations, and consistent with accumulated practice under this Article. The Parties recognize the value of promoting corrective action through guidance and progressive discipline, although this will not always be appropriate.

14.2 In all matters of discipline, a Member has the right to seek advice from the Association and to be accompanied by an Association representative for advice and support (including, if necessary, aid in presenting the Member's position) during any meetings attended to discuss such matters. All disciplinary measures are grievable under Article 11.

14.3 The Employer bears the onus of proving that a disciplinary action was taken for just cause.

14.4 The only disciplinary measures which may be taken by the Employer against a Member are the following:

- (a) A letter of warning or reprimand. Such letters must be specific and must be clearly identified as disciplinary measures.
- (b) Suspension with pay. Suspension is the act of relieving a Member, without their consent, of some or all Employer duties and/or privileges.

- (c) Suspension with partial pay, or without pay, where appropriate.
 - (d) Dismissal for cause. For Members with tenured appointments, dismissal means the termination of appointment without the Member's consent. For all others, dismissal means termination of appointment without the Member's consent before the end of the contract. Non-renewal of definite term or probationary appointments and denial of tenure do not constitute dismissal.
- 14.5** Just cause for the dismissal of a Member includes, but is not limited to, the persistent and serious neglect of the normal duties of a Member, particularly with respect to teaching, scholarship, and professional librarianship, or the failure to carry out such duties as are reasonably assigned by the appropriate academic authorities. In a case of persistent neglect, the action for dismissal must have been preceded by letters of warning from the VPAD. Warnings shall not only state the nature of the alleged deficiencies and make constructive suggestions for improvement, but also shall be followed by a reasonable period in which to make improvements.
- 14.6** Just cause for dismissal also includes but is not limited to: a serious breach of criminal law; violent behaviour or threats of violence against a member of the University community; a serious breach of ethical behaviour; and violations of ethics in respect to scholarship, teaching, or collegiality. Any of the above must be of such a serious nature as to render the Member clearly unfit to continue to hold a tenured or other appointment with the Employer.
- 14.7** Disciplinary processes must be kept distinct from academic assessments associated with annual performance reviews and consideration for tenure, promotion, and probationary reappointment. The fact that a disciplinary measure has been imposed or is contemplated cannot be considered in an academic assessment, but the facts which resulted or may result in the imposition of discipline can be considered, if relevant to that assessment.
- 14.8** The VPAD shall promptly investigate any concerns or allegations about a Member if the VPAD reasonably believes that a situation warranting disciplinary measures may exist. The VPAD shall inform the Member as soon as may reasonably be possible both of the nature of the allegation and if an investigation is being undertaken. The investigation itself is not a disciplinary measure, and an investigation which has not yet been completed is not a matter for grievance.
- 14.9** The VPAD shall take reasonable steps to maintain the Member's privacy and the confidentiality of the investigation and its findings until the imposition of discipline, if any. However, some disclosure of concerns and allegations may be necessary, either in order to conduct the investigation or if the VPAD has reasonable grounds to believe that such confidentiality may place a person or persons at risk of significant harm. In the event that it is determined that there shall be no disciplinary action, the VPAD must inform each individual to whom concerns and allegations were disclosed that there is no basis for disciplinary action.
- 14.10** When the investigation has been completed, and if disciplinary action is being considered, the VPAD shall notify the Member in writing of the results of the investigation and of the proposed disciplinary action. The notice shall provide the specific details of the alleged cause for the discipline, including all names, places, and dates of the alleged incidents, and shall either be hand-delivered to the Member, or delivered by registered mail to the Member's last known address. The date of notice is defined to be either the date on which a registered letter has been signed for or the date on which the notice is hand-delivered to the Member.
- 14.11** The VPAD shall convene a meeting within twenty-five (25) working days of the date of notice to afford the Member an opportunity to make oral and/or written submissions before any disciplinary measures are imposed. The Member shall be given at least seven (7) working days' notice of the time and place of the meeting. The VPAD may invite the person or persons who have carried out the investigation to attend. At this meeting an attempt shall be made to resolve the matter in a manner satisfactory to all concerned. For the purposes of this Article, days during which the

Member is on pre-scheduled vacation, as well as Saturdays and Sundays, other holidays, days during which the Employer is officially closed, and days during which the Member is absent on pre-scheduled official Employer business shall not be treated as working days.

- 14.12** If no satisfactory solution is reached at the meeting referred to in Article 14.11, within ten (10) working days the VPAD shall notify the Member in writing of the disciplinary decision with reasons.
- 14.13** The VPAD shall make every reasonable effort to notify the Member of the meeting referred to in Article 14.11. If the VPAD is unable to contact the Member, or if the Member is notified and chooses not to attend, the meeting shall be dispensed with, and the VPAD may give notice of discipline as in Article 14.12 above.
- 14.14** Where the disciplinary decision in Article 14.12 is dismissal for cause and where the Member chooses to contest the decision, a formal grievance shall be submitted to the President in accordance with Article 11. The President shall act as a committee of one to decide the matter on behalf of the Board of Governors. The decision of the President may be taken to external arbitration under Article 11.10.
- 14.15** Where the disciplinary action is dismissal for cause, suspension with reduced pay or a fine in lieu thereof, the Member shall retain full salary and benefits (subject to the rules and regulations of UW benefit programs) until the time limit for filing a grievance under Article 11 has expired. If the disciplinary action is grieved, the Member shall retain full salary and benefits for a period of one (1) year from the date of the disciplinary decision in Article 14.12, or until the grievance and arbitration procedures set out in Article 11.10 have been completed, whichever is earlier. In the event that the arbitrator finds in favour of the Member, any lost compensation shall be restored.
- 14.16** Notwithstanding Article 14.15, eligibility for full salary and benefits shall not extend beyond the Member's retirement date (if a retirement date exists), nor beyond the termination date for a Definite Term or probationary appointment terminated in accordance with this Agreement. Furthermore, the Employer may terminate salary and benefits if, during the period referred to in Article 14.15, the Member accepts outside employment in excess of that approved under this Agreement.
- 14.17** Where the disciplinary action is dismissal for cause or suspension, at the request of either the Member or the VPAD, the President may relieve the Member of their duties during the period of full salary and benefits as specified in Article 14.15. If this action is taken the Association shall be informed. If the disciplinary action is suspension with pay, such suspension shall count towards the period of suspension in the event that the grievance is unsuccessful.
- 14.18** Failure of a Member to grieve a letter of reprimand or warning at the time of receipt of the letter shall not be deemed an admission of the validity of the reprimand or the warning.

Article 15 – Non-Disciplinary Termination of Appointments

- 15.1** Termination of a Member's employment by the Employer in accordance with this Article shall not be considered a disciplinary measure in accordance with Article 14.
- 15.2** Definite Term Appointments

Definite Term appointments shall terminate at the date specified within the letter of appointment.
- 15.3** Probationary Appointments

Where the President implements the recommendation of the Renewal, Tenure, and Promotions Committee not to renew or continue a probationary appointment, the decision shall not be subject

to the grievance and arbitration procedure unless such recommendation was made in a discriminatory, arbitrary, or bad faith manner. The Member's employment shall terminate upon being provided with the greater of six (6) months' notice, or pay in lieu thereof, or that required under the *Employment Standards Act* (2000).

Where a Member is denied tenure or permanent status, the Member's employment shall terminate at the end of the Member's probationary appointment. The Member may challenge the denial of tenure through the grievance and arbitration procedure.

15.4 All Appointments

The Employer may terminate a Member's employment for reasons of financial exigency in accordance with Article 45 of this Agreement.

Article 16 – Privacy

- 16.1** The Parties agree that Members have a right to privacy consistent with the traditions of academic freedom and Article 2 of this Agreement.
- 16.2** Members' files and personal communications, including those stored or transferred electronically on University computer systems, are private, subject to the *Freedom of Information and Protection of Privacy Act*. The Employer shall take reasonable precautions to safeguard the privacy of such communications as are stored and/or transferred through the Employer's computer network.
- 16.3** The Employer reserves the right to monitor and access user accounts solely to safeguard the integrity of the computer system, or as required by law. Only authorized and appropriately trained personnel in the performance of their employment duties may access and monitor the use of information technology and computing facilities.
- 16.4** The Employer shall notify all Members in writing of any monitoring conducted for the purpose of security. Data in the form of audio-video surveillance and electronic access gathered for security purposes shall be stored on a University computer, shall be monitored and/or accessed only by authorized personnel having a business need. The Employer shall destroy such data within one hundred and twenty (120) days unless further retention is otherwise required by law.
- 16.5** Information obtained through surveillance shall not be used in any evaluation of an employee's teaching or research performance, or in any renewal, tenure, or promotion proceeding.

Article 17 – Environment of Equal Opportunity and Diversity

- 17.1** The Parties agree to promote equity and diversity in employment. The Parties recognize that all applicants for employment are entitled to equal rights and opportunities without discrimination that contravenes the Ontario *Human Rights Code*.
- 17.2** Every Indigenous person, person with a disability, member of a racial/ethnic minority, and persons of all gender identities are entitled to be considered for employment, hired, retained, treated, and promoted free of barriers, including systemic and deliberate practices and policies, which discriminate against them based on such immutable characteristics.
- 17.3** The Parties also agree that the Membership, in all ranks and categories, should strive to reflect a fair representation of such persons.

- 17.4** The Employer shall strive to ensure that employment policies and practices, including its policies and practices with respect to recruitment, hiring, retention, treatment, and promotion, are free of barriers, both systemic and deliberate, that discriminate against such persons.
- 17.5** The Association agrees that it, and its Members, shall also strive to administer their duties and responsibilities in a manner which assists the Employer in discharging its commitment to foster an environment of equal opportunity and diversity.
- 17.6** In striving for employment equity, the Parties agree that:
- (a) No candidate shall be recommended for appointment who does not meet the criteria for the applicable appointment; and
 - (b) The recommended candidate shall be a member of the group identified in Article 17.2 above, unless another candidate is demonstrably superior.

Article 18 – Search Procedure for Academic Appointments

18.1

- 18.1.1** The responsibility of initiating an academic appointment is that of the VPAD in consultation with the Academic Committee. When approval is granted, the Chair of the relevant academic Department will be invited to initiate the recruitment process.
- 18.1.2** The Chair of the Department, after consultation with their Department, may raise the need for academic appointments, whether required on an incremental or a replacement basis, with the VPAD who shall engage in consultations with such Chair.
- 18.1.3** The process of developing recommendations on the appointment of academic staff is a peer-review process. The Employer recognizes that input from Members of the same discipline as that of the contemplated appointment is important. The guiding objective is to attract and appoint the most highly qualified candidates considering various factors including:
- (a) Academic credentials;
 - (b) Program fit with the relevant academic unit;
 - (c) Evidence of positive teaching performance;
 - (d) Record or clear potential of a strong research record;
 - (e) Support for the Mission of the University;
 - (f) Principles of gender and employment equity including a commitment to Indigenization; and
 - (g) Suitability for appointment at the University.

18.2 Appointments Without Search

- 18.2.1** In the case of appointments at the rank of Assistant Professor, Teaching Stream (Definite Term), the VPAD shall review the current and previous two (2) years of Contract Academic Staff appointments in the relevant teaching area and shall seek the recommendation of the Chair of the relevant Department, and Academic Committee, as to the appropriateness of an appointment without search. If the Chair recommends an appointment without search, the Chair shall recommend the candidate to be appointed and give reasons to inform the recommendation of

Academic Committee. The VPAD may follow the recommendation of the Chair and Academic Committee where they agree or determine that the appointment should proceed with a search, in which case the procedures in Article 18.3 will apply.

18.2.2 In the case of appointments at the rank of Assistant Professor, Teaching Stream, an Assistant Professor, Teaching Stream (Definite Term) meeting the requirements of the position who was hired as the result of an open search, or reappointed subsequent to an open search, may be appointed without a search to the rank of Assistant Professor, Teaching Stream (probationary). The VPAD shall review the current and previous two (2) years of Definite Term appointments in the relevant Department hired as a result of an open search and shall seek the recommendation of the Department Chair, and Academic Committee, as to the appropriateness of an appointment without search. In making a recommendation, Chairs shall consult current full-time Department Members. If the Chair recommends an appointment without search, the Chair shall recommend the candidate to be appointed and give reasons to inform the recommendation of Academic Committee. The VPAD may follow the recommendation of the Chair and Academic Committee where they agree or determine that the appointment should proceed with a search, in which case the procedures in Article 18.3 will apply.

18.2.3 A Teaching Stream member with permanency shall relinquish that status upon appointment to the rank of Assistant Professor (probationary) unless and until it is reassumed in accordance with Article 21.1(i) of this agreement.

18.3 Appointments with Search

18.3.1 In the case of appointments with search, the Department, through the Department Chair, shall provide the VPAD with recommendations on the content of the advertisement. After consultation with the VPAD, the Department Chair shall present a draft advertisement to the Academic Committee for approval. Contents of advertisements shall include:

- (a) A description of the appointment including: rank; department(s) of appointment, and, if applicable, appointment share amongst departments; areas of teaching and research specialization; and teaching, research, and service or administrative duties required by the appointment;
- (b) Required qualifications for the appointment, as well as any desirable qualifications or expertise for the appointment; and
- (c) Any other relevant information, including the application materials to be submitted and such, as may be required by policies adopted by the SJUSC.

18.3.2 The position shall be advertised at least in, but not limited to, University Affairs and the CAUT Bulletin, and shall be advertised directly to any Definite Term Members and Contract Academic Staff who are teaching or have taught within the hiring Department or Program at any time during the preceding academic year.

18.3.3 The Department Chair of the relevant Department shall normally convene a Search Committee as set out in Article 18.4.

18.3.4 The Search Committee shall review applications and recommend to the VPAD a short-list of qualified candidates. The shortlist shall consist of at least two (2) applicants.

18.3.5 The Search Committee shall conduct interviews of the short-listed candidates. The University community as well as faculty Members from the University of Waterloo shall have the opportunity to meet the candidates and provide confidential feedback to the Search Committee. The Search Committee shall also seek the confidential written opinion of the Chair of the corresponding UW

department, where such department exists. The Chair of the Search Committee shall provide the Chair of the corresponding UW department a copy of the full application file of all short-listed candidates.

- 18.3.6** The VPAD and the President shall have an opportunity to review the Search Committee's file of the short-listed candidates and may interview such candidates thereafter.
- 18.3.7** The Search Committee shall make a detailed written report to the VPAD through its Chair which shall include, as appropriate, recommendations for: (a) starting rank; (b) credited years of equivalent service at a comparable institution; (c) grants of sabbatical credits, Course Credits, ETR points, and the like; and (d) tenure or permanency status. The VPAD shall provide such report, along with their written recommendation on the appointment, to the President, who may discuss such recommendations with the VPAD and the Chair of the Search Committee.
- 18.3.8** In cases where an appointment is not advertised as an appointment with tenure or permanency, the Search Committee may notwithstanding recommend that an offer of appointment be made with tenure or permanency. In such cases the Chair of the Search Committee shall at the earliest opportunity forward the application file(s), along with the Chair's detailed recommendation for tenure or permanency consideration, to the RTPC for an expedited determination as to suitability for tenure or permanency as established by the SJUSC. On the basis of the information supplied by the Search Committee Chair, the RTPC may recommend: (a) normal probationary appointment; (b) appointment with review for tenure or permanency in the first year of appointment; or (c) appointment with tenure or permanency. The RTPC shall make its recommendation through the VPAD concurrently with the Search Committee's recommendation in accordance with Article 18.3.7 above.
- 18.3.9** The President shall make the decision on acceptance or rejection, in whole or in part, of the VPAD and Search Committee's recommendations.
- 18.3.10** If the recommendation of the RTPC is to grant tenure or permanency to a newly appointed candidate, the President shall present the RTPC's recommendation to the Employer at the next scheduled meeting of the Board of Governors. The President shall not recommend tenure or permanency for a candidate who the RTPC has not recommended for such an appointment. The Employer's decision shall be communicated to the VPAD and the Chair of the relevant Department.
- 18.3.11** Where the decision of the Search Committee is that no candidate is appropriate, or the President declines the Search Committee recommendation, the request for an appointment shall be addressed in a manner consistent with the University's immediate academic needs as determined by the VPAD, after engaging in consultation with the Chair of the relevant Department.
- 18.3.12** The letter of appointment shall designate the terms and conditions of that appointment, including salary and the Member's Department(s). The letter of appointment shall stipulate that the appointment is subject to this Agreement and shall include the Member's rank and any credited years of equivalent service. A copy of the letter of appointment shall be placed in the Member's Confidential Human Resources File and forwarded to the Association.
- 18.4** Search Committee
- 18.4.1** The Search Committee shall consist of five (5) persons, where possible holding appointments with tenure or permanency, or, in the alternative, holding appointments leading to tenure or permanency. Definite Term Members are normally not eligible to serve on a Search Committee. The committee shall consist of:

- (a) The Department Chair, who shall normally chair the committee. Where the Department Chair is not available, has a conflict of interest, or wishes to designate another Department member to serve as Search Committee Chair, the VPAD shall appoint a Search Committee Chair in consultation with the Department Chair, or, if the Department Chair is not available, in consultation with the members of the Department;
- (b) Two (2) Department Members, selected by the Department, or in the case of cross appointments, in two (2) Departments, one (1) member of each affected Department. In cases where a Department does not have two eligible members, additional Members shall be appointed by the VPAD in consultation with the Department Chair, or, if the Department Chair is not available, in consultation with members of the Department. Where an appointment requires teaching responsibilities in more than two (2) Departments, the two voting members shall be appointed from the Departments in which the most teaching activity is anticipated to occur, and the VPAD may appoint one (1) additional non-voting representative from another Department;
- (c) A member of another Department, preferably with tenure or permanency, appointed by the VPAD after consultation with the Chair of the Committee;
- (d) A representative of the corresponding UW department or program, or, if no such program exists, a comparable UW department or program, who accepts the invitation from the Chair of the Search Committee. In the event that the Chair of the Search Committee has made reasonable effort and no UW member exists or is willing to serve, then a third Department member, selected by the Department, shall be appointed instead, where such a Department member exists and is willing to serve;
- (e) In cases where the above stipulations fail to produce five (5) members of the Search Committee, the Joint Committee shall appoint a fifth member from among the faculty.

18.4.2 Search Committees may appoint a non-voting Equity representative to advise on matters of equitable recruitment.

18.4.3 In serving on a Search Committee, Members are expected to attend all interviews, teaching presentations, research discussions, and Search Committee deliberations to ensure consistency and fairness in the search process.

18.4.4 The Chair of the Committee shall advise the VPAD in writing as to the membership of the Search Committee.

18.4.5 Search Committee deliberations and processes shall be administered in a confidential manner consistent with applicable privacy, human rights and employment equity legislation.

18.5 Interdisciplinary Programs / Library

18.5.1 Where the search involves an academic staff position for an Interdisciplinary Program or for the Library, the foregoing process shall be applied normally substituting the Director or Librarian, as the case may be, in lieu of the Department Chair. Where the Director or Librarian is unavailable or has a conflict of interest, the appointment shall be made by the VPAD.

18.5.2 The Search Committee membership shall be determined by the Chair of the Search Committee in consultation with the VPAD. Normally members of the Search Committee shall be selected from those teaching in the Interdisciplinary Program or serving on the Library Advisory Committee, as the case may be.

19.4.9 Within seven (7) calendar days of a notification of a decision of deferral, or a first decision of denial, the VPAD shall meet with the Member to review the recommendation of the RTPC. Article 21 – Procedures for Tenure and Promotion

21.1 Guidelines

- (a) The granting of tenure to a tenure-track Assistant Professor carries with it appointment at the rank of Associate Professor.
- (b) When a Member applies for simultaneous tenure and promotion, they shall submit a single case file.
- (c) A denial of an early application for tenure, that is, an application made prior to the third year of a renewed tenure-track appointment, is not, in itself, a termination of appointment.

- (d) A Member may not be considered for tenure more than twice.
- (e) Members may challenge the denial of tenure or promotion pursuant to the grievance and arbitration articles of this Agreement.
- (f) Recommendations and decisions on promotion and tenure shall be of the following types:
 - i. Promotion: that promotion be granted or denied;
 - ii. Tenure: that tenure be granted, denied, or deferred.
- (g) A deferral of tenure shall carry with it an extension of the second probationary period of at least one (1) and not more than three (3) years, to be determined by the RTPC.
- (h) Within seven (7) calendar days of a notification of a decision of deferral, the VPAD shall meet with the Member to review the recommendation of the RTPC. The VPAD shall then prepare a letter summarizing this meeting, to be delivered to the Member within seven (7) calendar days. The Member shall submit a written response to the VPAD within thirty (30) calendar days. The VPAD letter and Member response shall take the place of the annual assessment letter and response described in Article 22.1 of this Agreement for the academic year in which the application has occurred, or, if these exist already, the VPAD letter and Member response shall constitute a supplementary annual assessment letter and response.
- (i) A Member who previously held a Teaching Stream appointment with permanency at the University, and has been denied for tenure, may revert to the last Teaching Stream rank held.

21.2 Timelines

- (a) A Member on a tenure-track appointment may be considered for tenure at any time after having completed three (3) years of full-time university faculty service in the rank of Assistant Professor or in an academic librarian rank. That notwithstanding, consideration normally occurs in the penultimate year of a second probationary appointment, that is, during the fifth full year of full-time employment at the University in the rank of Assistant Professor or Librarian.
- (b) Assistant Professors or Librarians in their second probationary contracts, who have grounds allowable under law or this Agreement (e.g., a leave), may submit a request for a contract extension to the VPAD. Requests for extensions shall not be unreasonably denied. Such extensions shall be limited to one (1) year or what is required by law.
- (c) A Member may apply for promotion from Associate to Full Professor with at least ten (10) years full-time university faculty membership, or at least four (4) years in the rank of Associate Professor.
- (d) Members shall notify the VPAD, in writing, of their intention to apply for tenure or promotion on or before 1 June. The VPAD shall meet with the candidate at the earliest mutual opportunity to verify eligibility to apply and review the process as governed by this Agreement.
- (e) Members shall submit their Case File in electronic form, together with a list of at least three (3) external assessors, to the VPAD on or before 15 July of the year in which the review is to take place.

- (f) Within ten (10) working days of the deadline for submission of the Case File, the VPAD, the Member, and a member of the RTPC shall meet and review the case file to ensure that the Member has included all pertinent material. In the event that the file is incomplete, the Member shall have ten (10) working days to submit the missing material, after which time the Case File shall be considered closed.
- (g) The RTPC shall make its recommendations in writing and submit them, together with a written statement of the supporting reasons on which each recommendation was based to the President, with a copy at the same time to the Member, on or before 15 February. Where the RTPC cannot reach a unanimous recommendation, the Chair will also submit a written report to the President summarizing the divergent opinions.
- (h) In the case of a recommendation for tenure and/or promotion, or for deferral with an extension of the probationary period, the President shall present the RTPC's recommendation to the Employer for a decision on the Member's application no later than 15 March, or the next scheduled meeting of the Board thereafter, of the academic year in which the review occurs. The Employer shall not unreasonably reject the RTPC's recommendation. The President shall inform the Member of the decision of the Employer, or in the case of denial or deferral, of the RTPC recommendation, in writing, within seven (7) calendar days of receiving such a decision or recommendation.
- (i) Where tenure and/or promotion is granted, the effective date shall be 1 July.

Normally assessors for promotion to Professor shall hold the rank of Professor or equivalent.
- (b) The RTPC shall select three (3) assessors from a list composed of at least three (3) names submitted by the Member and at least three (3) names determined by the RTPC. The RTPC shall present the Member with its list of names. The Member may challenge, in writing to the committee, potential assessors for bias, apprehension of bias, conflict of interest, or unsuitability. If the Member and the RTPC cannot agree on a common pool of possible assessors, the RTPC shall select two (2) names from its list and (2) two names from the Member's list. In this case alone, the RTPC shall consult four (4) assessors rather than three (3). The RTPC's consideration and decision regarding external assessors shall be completed on or before 1 September.
- (c) The Chair of the RTPC shall instruct external assessors to examine the scholarship of the Member. Outside assessors will reasonably consider the weight and nature of the candidate's teaching/professional librarianship, service, and scholarship as in any North American university comparable to St. Jerome's University in the demands it makes on Members.
- (d) Assessors will normally be provided with the entirety of the member-provided sources of information referred to in Article 21.4.

- (c) If a fair and acceptable resolution is reached with the Harassment Advisor, both Parties will sign a statement to that effect, which will be filed with the Harassment Advisor. No further

action on the complaint so resolved will be taken unless the Parties fail to comply with the terms on which the complaint is resolved.

- (d) If a fair and acceptable resolution is not reached by the Harassment Advisor within twenty (20) working days of receipt of the written statement of complaint, the Harassment Advisor will so inform the Parties in writing and the complainant may then elect to:

- (c) If in their judgement the allegations have sufficient substance to warrant formal investigation, the President or designate shall inform the Member named in the allegations, and the Association, in writing and with a summary of the allegations of sufficient detail to permit the Member a fair opportunity to respond if they wish.

- (d) No person consulted by the Employer concerning the case shall be appointed an arbitrator in any subsequent arbitration dealing with these allegations.

43.2.2 The formal investigation process commences when the Member named in the allegations has received the written notice. The President or designate shall have thirty (30) working days from issuing the written notice to conduct the formal investigation. The Member shall be informed of their right to be represented by the Association at all meetings during the formal investigation. Any finding of academic misconduct shall require clear, cogent, and convincing proof of such misconduct.

43.2.3 After being informed of the results of an investigation, a Member shall have the right to meet with the President to provide explanations and to make submissions, before any disciplinary action is undertaken.

43.2.4

- (a) Any discipline imposed on a Member for academic misconduct is subject to normal grievance procedures except that the Parties agree that cases involving accusations of academic misconduct will proceed directly to arbitration.
- (b) A statement from the Employer that a person was guilty of academic misconduct constitutes discipline.

43.2.5 The Employer shall take such steps as it determines necessary and reasonable to:

- (a) Protect the reputation and credibility of Members wrongfully accused of academic misconduct, including written notification of the decision to all agencies, publishers, or individuals who were informed by the Employer of the investigation;
- (b) Protect from reprisal Members who in good faith make allegations of academic misconduct, or whom it calls as witnesses in an investigation. Such protection may include the provision of legal counsel should the Member be sued for their participation in any investigation or in arbitration proceedings.

The Employer shall take disciplinary action against Members or students who make unfounded allegations of academic misconduct which are reckless, malicious, or not in good faith.

43.2.6 If the Employer's investigation or the arbitration board sustains an accusation of academic misconduct related to a Member's research, and if that research is funded by an outside agency or has been published or submitted for publication, the President shall inform the agency or publisher concerned of the decision, as well as the Association and the complainant. In any event, if the outside agency or publisher has been informed of the proceedings before a judgement has been rendered, the President shall send a copy of the decision to the concerned agency or publisher.

Article 44 – Cross Appointments

44.1 Members may be cross-appointed to two academic units simultaneously at the time of their initial appointment or at any time thereafter. The Employer shall note the details of the cross appointment in the Letter of Appointment, or in the case of a subsequent cross appointment, in a letter of confirmation.

44.2 A Member seeking to be cross-appointed or have a cross appointment renewed shall make the request in writing to the VPAD. The request must include letters of support from the Chairs of both units or Departments. The VPAD shall review the request and consult with the respective

Chairs. The VPAD will then bring the request forward to Academic Committee for consideration. When the member seeking cross appointment is serving as Department Chair, the VPAD shall consult with Members of the Department in lieu of a letter from the Chair.

- 44.3** Academic Committee will consider and either support or not support the request. The VPAD will make the final decision on whether to grant the request for cross appointment.
- 44.4** If the request is approved, Human Resources will communicate the change in or renewal of appointment, in writing to the Member with a copy to the Association.
- 44.5** Cross-appointed Members, at any percentage of cross appointment, shall attend and be included in Department or Program discussions and will have a voice in each academic unit. Such Members will hold voting rights only in Departments in which they hold a workload of forty percent (40%) or greater.
- 44.6** Cross-appointed Members are eligible to serve on all committees, perform relevant service, and teach within the limits of their expertise. Such Members having a workload of forty percent (40%) or greater in a Department may serve as Chair in such Department.
- 44.7** Cross-appointed Members may count teaching, service, and research from both Departments or units in all matters, including renewal, tenure, and promotion applications.

Article 45 – Financial Exigency

- 45.1** Preamble. The Parties agree that the primary aims of St. Jerome's University are teaching, scholarship and research, and that the first duty of the University is to ensure that its academic priorities remain paramount, particularly with regard to the quality of instruction and research, and the preservation of academic freedom.
- 45.2** The term financial exigency denotes the extraordinary and rare condition in which substantial and recurring financial deficits in the total University budget have occurred or, on the basis of generally accepted accounting principles, are projected to be ongoing, thereby placing the solvency of the University as a whole in serious jeopardy. This Article is invoked only in the event of a declaration of financial exigency in which lay-off of Members is proposed as a part of the resolution process.
- 45.3** In the event the President considers that a financial exigency exists within the meaning given above, they shall formulate a report, together with a preliminary plan to deal with the emergency. The President's report shall include both a specification of the precise nature of the problem faced by the University and accompanying information, including economies taken to date, to support their conclusion, and it shall document the reasons supporting the lay-off of Members, including the number of Member lay-offs that are deemed by the President to be necessary. Further, the President shall:
 - (a) provide the information identified above to the Board of Governors, to the SJUSC, and to the Association;
 - (b) impose a University-wide hiring freeze until the exigency has been resolved;
 - (c) within fifteen (15) working days of declaring a financial exigency, establish a five (5) member Financial Exigency Commission, with membership specified in Article 45.5(a) below, to adjudicate their declaration of financial exigency.

45.4 The Association shall have the right to receive from the University additional relevant information as requested by the Association President and agreed to by the President, such agreement not to be unreasonably withheld.

45.5 Structure of the Financial Exigency Commission (FEC)

- (a) The FEC shall be composed of three (3) individuals who are at arm's-length from St. Jerome's University and the Association, plus two (2) senior members of the St. Jerome's University professoriate. Of the three individuals at arm's-length, one shall be appointed by the President, one by the Association, and the third appointed jointly by the President and the Association. One of the two senior members of the St. Jerome's University professoriate shall be appointed by the President, the other by the Association.
- (b) The jointly-appointed arm's-length member of the FEC shall serve as Chair and normally shall be a person familiar with university finances. Should no agreement be achievable on the appointment of the third member of the FEC, the Chief Justice of Ontario shall be asked to make the appointment.

45.6 The FEC shall determine its own terms of reference and decision-making procedures consistent with generally recognized principles of natural justice. All reasonable expenses of the FEC established under this Article shall be borne by the University.

45.7 The onus shall be on the President to establish to the satisfaction of the FEC that a state of financial exigency exists within the meaning of Article 45.2. To this end, the President shall disclose all information that is related to the claimed financial exigency and/or deemed relevant by the FEC. The FEC may consult with any person or group of persons, internal or external to St. Jerome's University. In particular, it will receive any preliminary input that the SJUSC may choose to provide regarding proposed program redundancies.

45.8 The FEC shall, within forty (40) days of being constituted, prepare a report that analyzes both the extent and the nature of the financial problems identified by the President, as well as the potential impact of the plan on the academic programs of St. Jerome's University. The FEC report shall be submitted to the Chair of the Board of Governors, with copies to the Presidents of the University and the Association, and to the SJUSC. If there are recommendations for program redundancies in the plan, the SJUSC will then have a further fourteen (14) days to determine what, if any, program redundancies for *bona fide* academic reasons in the context of a confirmed declaration of financial exigency it approves and recommends to the Board. A copy of the SJUSC report shall be sent to the FEC which shall have an additional ten (10) days to prepare a supplementary report as a result. The FEC supplementary report shall be submitted to the Chair of the Board of Governors, with a copy to the Presidents of the University and the Association.

If the FEC supports the President's contention that faculty lay-offs are necessary, it will address in its report the proposed number of lay-offs in both the academic and support staff components of St. Jerome's University with a view to ensuring that a balance between these two sectors is maintained.

Given the academic nature of the University, the Employer in its actions shall ensure that the academic wellbeing of St. Jerome's University is preserved to the maximum extent possible.

45.9 When preparing its report, the FEC shall consider all submissions on St. Jerome's University's financial condition. Specifically, it shall consider and respond (with reasons) to each of the following questions:

- (a) Is there indeed a substantial and ongoing financial crisis with respect to the total operating budget which threatens the financial viability of St. Jerome's University?

- (b) In view of the primacy of academic goals at the University, is a reduction in the number of Members through layoff an operationally justifiable type of cost saving?
- (c) Have all reasonable means of achieving cost saving in all areas of the University budget (short of the lay-off of Members) been explored and implemented? In particular, have all reasonable means been taken to reduce costs through Members' voluntary early retirement, voluntary resignation, voluntary transfer to reduced load status and redeployment?
- (d) Have all reasonable means for improving St. Jerome's University's revenue position, including efforts to secure further assistance from the Provincial Government, been explored and taken into account?
- (e) Is the number of proposed faculty lay-offs consistent with enrollment projections?

45.10 In its report, the FEC shall confirm or reject the declaration of financial exigency.

- (a) If the FEC finds that a state of financial exigency does not exist, no lay-off of Members or reduction in the faculty complement shall take place for budgetary reasons. The report shall specify the reasons for its finding, and shall recommend additional and/or alternative ways in which it believes that St. Jerome's University may resolve its financial problems.
- (b) In the event that the FEC finds that a state of financial exigency does exist, its Report shall recommend the amount of reduction required, if any, in the budgetary allocation to Member salaries and benefits. The FEC shall also specify the number of Member lay-offs that may be required in order to effect the proposed reduction. If the number of lay-offs specified by the FEC differs from the number proposed by the President, reasons for the difference must be provided. Any reduction in the budgetary allocation for Member salaries and benefits shall be made conditional upon ongoing exploration of alternative cost-saving measures by the Employer.

45.11 The Employer has the responsibility for implementing actions arising out of the FEC Report and shall provide reasons why specific recommendations of the FEC were not carried out. The FEC shall also be afforded the opportunity to make an oral presentation to the Board.

45.12 Any time limits under this Article may be extended by agreement, in writing, between the two Parties. Such agreement may not be unreasonably denied.

45.13 Lay-off is an exceptional action which shall be taken only after St. Jerome's University has exhausted all reasonable means to alleviate the financial exigency by applying rigorous economies in all areas of its present and projected expenditures, by using all reasonable means of improving its income, and by using all other means of making the necessary reductions in the employee groups in a manner which best maintains the academic viability of St. Jerome's University. Any lay-offs under this Article shall occur only to the extent necessary to alleviate the financial exigency.

45.14 Lay-Offs

Preamble. Under normal circumstances, no Member shall be dismissed, suspended, suffer employment contract termination, or otherwise be penalized with respect to terms and conditions of employment and/or rights and privileges relating to employment for budgetary reasons. Lay-off of Members who hold ongoing appointments (whether tenured, tenure-track, or continuing) or Definite Term appointments (in advance of their normal expiry date) is an exceptional action which may occur only in accordance with this Article.

In no case shall the number of months during which salary is paid under this Article exceed the time remaining until a Member's officially declared retirement date, nor shall such Member have any recall rights.

Lay-off pursuant to this Article is not dismissal for cause and shall not be recorded or reported as such.

All payments under this Article shall be based on a Member's base salary (or actual salary for Members on reduced load as defined in Articles 25.14 and 25.15).

45.15 Association Membership While on Lay-Off

Members who are laid off in accordance with this Article remain Members of the Association while not employed by the University for a period not to exceed three (3) years or until they accept full-time employment elsewhere. The Association shall waive payment of membership dues or amounts equal to its membership dues for such Members during this period.

45.16 Criteria and Process for Lay-Off Under Financial Exigency

When a declaration of financial exigency has been confirmed and no satisfactory provision can be made by the University for the continued employment of all Members and, as a financial exigency may affect the ability of St. Jerome's University to carry on its mission, a plan for reduction in the number of Members employed by St. Jerome's University shall be prepared by the President and the VPAD in consultation with the SJUSC and the President of the Association. This plan shall be structured so that the University may continue to operate as far as possible in accordance with its mission and may propose vertical cuts (involving full or partial program redundancies), across-the-board cuts, or some combination of vertical and across-the-board cuts. Program redundancies will require the approval of the SJUSC.

The plan shall also provide that faculty who are to be laid off other than through program redundancies shall be laid off in this order: (a) Contract Academic Staff; (b) Members on Definite Term appointments; (c) pre-tenure and pre-permanency Regular Members; (d) tenured Members and Members with permanency.

The President shall select those Members who are to be laid off under any across-the-board provision on the basis of reverse seniority.

45.17 Notice of Lay-Off Under Confirmed Financial Exigency

The President shall provide written notice to Members who are to be laid off in accordance with Article 45 under a confirmed financial exigency, with copies of the individual notices to the Association, as much in advance of the date of lay-off as possible, but not less than:

- (a) six (6) months in advance of the lay-off date for Members on Definite Term appointments, and for Members holding probationary-term appointments with fewer than three (3) years of service;
- (b) nine (9) months in advance of the lay-off date for Members holding probationary-term appointments with three (3) to six (6) years of service;
- (c) twelve (12) months in advance of the lay-off date for Members with tenure or holding probationary-term appointments with more than six (6) years of service.

By informing a Member and the Association in writing twenty (20) days in advance, the University may lay off a Member with pay in lieu of notice or with a combination of notice and pay in lieu of notice totalling the appropriate notice period in (a) to (c) above.

45.18 Severance Arrangements for Lay-Off Under Confirmed Financial Exigency

A Member who is laid off under the terms of Article 45 under confirmed financial exigency shall be entitled to the following severance arrangements, in addition to the notice set out in Article 45.17:

- (a) one (1) month's pay for each completed year of service from the initial time of appointment to the time of lay-off, with part years prorated, for Members on Definite Term appointments, with a maximum total amount of ten (10) months' salary;
- (b) one (1) month's pay for each year or partial year of service at the time of lay-off for Members holding tenure-track appointments;
- (c) one (1) month's pay for each year or partial year of service at the time of lay-off, with a minimum total amount of nine (9) months' salary and a maximum total amount of eighteen (18) months' salary, for Members who have tenure.

45.19 Rights of First Refusal, or Recall

In the event that, within three (3) years from the date at which lay-off begins, a position becomes available through retirement, resignation, death, or the cessation of the state of financial exigency, Members who have been laid off for reasons of financial exigency or program redundancy shall be informed of the vacancy in writing. A Member who chooses to apply shall have the right of first refusal for any position in the original Department for which that Member is qualified.

- (a) In the event there is no Member on the recall list who is qualified or if no Member accepts a recall, and if the Association agrees that the recall provision has been exercised properly, the University may proceed to fill a vacancy through normal recruiting and appointment procedures.
- (b) Laid-off Members shall be recalled in reverse order to the specific order of lay-offs determined by the University under Article 45.16.
- (c) Members who are recalled to service in the University shall retain all rights and entitlements that would be in place had the Member not been laid off. The salary of the recalled Member shall be that held at the time of lay-off, altered by any applicable scale changes.
- (d) A Member who is recalled to an area or position at St. Jerome's University other than in their original discipline retains the right of first refusal for any opening in the original discipline.
- (e) A Member being offered recall shall be notified in writing by registered mail sent to the Member's last known address, with a copy to the Association. The Member shall have twenty-five (25) working days in which to respond to the recall offer and shall have up to six (6) months from receipt of notice of recall to terminate other obligations and recommence employment at the University.
- (f) If a Member is offered a temporary recall (e.g. as a leave replacement) it may be refused by the Member without prejudicing recall rights. If a Member fails to respond to a recall, or refuses a recall that is not specified as temporary, the Member's name will be removed from the recall list.

- (g) Members who have secured alternative ongoing full-time employment outside St. Jerome's University that is substantially equivalent to their duties at St. Jerome's shall be removed from the recall list.

45.20 Rights and Benefits During Recall Period

- (a) Until a Member who has been laid-off has been recalled (in the case of a declaration of financial exigency), secured alternative full-time employment, or until three (3) years have elapsed from the date of lay-off, whichever is earlier, that Member shall have the option of continuing to be covered by any of the University's benefit plans (including the University pension plan) for Members, at the same level, at their expense, and shall be entitled to retain any University loan. In the event that a Member is given salary in lieu of notice, full benefits, with the same sharing of costs as were in effect immediately prior to lay-off, shall apply for the normal notice period.
- (b) For the lay-off period during which a Member is eligible for recall, they shall continue to have full access to Library facilities on the same basis as on-site Members. In addition, Departments shall endeavour to maintain a full range of collegial contacts with laid-off Members, and to provide them with access to office space, laboratory, and computer facilities so that they may maintain their professional skills, provided laid-off Members continue to make use of these facilities in order to keep up with ongoing work in their fields.
- (c) Dependents of laid-off Members shall have the same rights to tuition assistance as dependents of Members who have not been laid off.
- (d) A Member on lay-off who is recalled shall repay any portion of the severance allowance specified in Article 45.17 that exceeds the entitlement that would have been obtained had they continued to occupy their position held prior to lay-off.
- (e) A Member who has already received the severance allowance referred to in Article 45.17 and who is recalled and laid off a second time shall receive that allowance again, minus any net amount received as a consequence of the first lay-off.

- 45.21** Only disputes arising out of the failure to follow the foregoing procedures, or claims of arbitrary, discriminatory, or capricious considerations in such procedures, may be the subject of the Grievance and Arbitration process set out in the Collective Agreement and are referable directly to arbitration.

Article 46 – Spousal Appointments

- 46.1** A spousal appointment is a non-renewal Definite Term appointment to an academic unit or sub-unit for up to three (3) years and shall not replace positions that have been previously approved.
- 46.2** The VPAD may request a spousal appointment for an Assistant Professor or Assistant Librarian who is the spouse or partner of a candidate who has been recommended for a tenure-track or tenured position at St. Jerome's University or University of Waterloo.
- 46.3** The VPAD shall consult the Association, specifying the academic field/area of expertise, and the Department(s) or Program(s) into which the VPAD wishes to appoint the candidate.
- 46.4** The VPAD shall then bring the request to the Department(s) or Program(s) into which the spousal candidate would receive an appointment. The voting members of the Department(s) or Program(s) shall then vote on whether the spousal candidate would be a credible candidate for an Assistant Professor/Assistant Librarian position in their field, were such a position advertised.

In the event the members of the Department(s) or Program(s) vote to recommend, the VPAD may make the spousal appointment.

- 46.5** During the non-renewal Definite Term appointment of a spousal appointment, the appointee may apply for an advertised limited, tenure-track, or tenured position, a Continuing Appointment or a position leading to a Continuing Appointment. If the appointee has met the academic qualifications and experience for the position, the search committee shall add their name to the short-list.

Article 47 – Emergencies

- 47.1** For the purposes of this Article, an Emergency shall be the occurrence of a significant event affecting Members, the workplace, or the safety and health of workers, generally of a magnitude to warrant a designation by a federal, provincial, or local government entity.
- 47.2** Where the University intends to take measures in response to an Emergency which would directly affect Members' health, safety, working conditions, protections, or benefits, the Association and the Employer shall strike a Joint Emergency Planning Committee to develop such measures. The Joint Emergency Planning Committee shall be composed of an equal number of representatives appointed by the Association and the Employer.
- 47.3** The Joint Emergency Planning Committee shall be entitled to receive minutes of meetings, as well as any reports of any other committee or ad hoc committee established to respond to the Emergency unless such disclosure would be a violation of law.
